April 2021

Message from the Club President

April - 2021

April fool's day is just around the corner, pull some tricks on your friends for fun. The Month of March has been rather cold and windy most of the time. Unless you come out early in the morning, then its chilly, but no wind. We finally have a fair handle on the Bird and Armadillo problem. We will stay on top of the situation, hoping members do not think that this a quick and easy problem to solve.

We recently received an answer back from SWFWMD allowing us to have our Club meeting in April, as long as we practice social distancing.

I'm also aware of the Porte Potty problem; hopefully we can discuss and come to a mutual agreement and solve this issue.

The last couple of month we have gained some new members to the club, if you see them say hello to them and if they need some help try to assist them.

CLUB MEETING

SATURDAY 3RD OF APRIL AT 10:00 AM

SEE YOU AT THE FIELD
Werner

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

A club officer can also be a check pilot if a regular check pilot is no available.

Meeting in April 3rd 2021 at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
