April 2022

Message from the Club President

April, 2022

March has not been a great month for flying, been chilly and rather windy. If you don't show up early in the morning, you don't get a chance to fly, because the winds come up fast.

We had a bunch of members going to the Perry Georgia swap meet earlier in March, to get rid of some unwanted items and maybe find some new ones.

The Hogs are back again this month and keep digging up the place, SWFMWD has been contacted and hopefully they will take care of the culprits soon.

Our Fun Fly was held on Saturday the 26th of March, we had 15 contestants, they all had a great time. Weather was great, also it got a little windy later in the morning. Thank Pete, when you see him for doing the event.

Our next event coming up, is the IMAC on Saturday June 4th and Sunday June 5th, Dr Greg Baggerly is the CD.

We hope that the weather will be warming up for this next month, but that also means that the grass will start growing and we are always looking for additional grass cutters. We also are always looking for volunteer flight instructors.

Our next meeting is on April 2nd at 9:00 am.

Hope to see everyone there.

Werner

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

A club officer can also be a check pilot if a regular check pilot is no available.

Next Meeting April 2, 2022 at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
