**August 2022**

August 2022

Another summer is here to stay for a while, those of us that get up early in the morning, have a few hours to get in some good flying. So if you don't like the heat, come out early, also make sure you drink plenty of water to stay hydrated, if you have an airplane go down ask someone to go with you to avoid a problem and take your phone along.

In the last month we have had several members with some major physical problems end up in the Hospital, most seem to be on the mend and recuperating, some are returning to the field to get some flying time in. Let us all wish them a well and a speedy recovery.

The rescheduled IMAC contest is coming up on Saturday the 13th and Sunday the 14th of August. The Kitchen will only be open for lunch on Saturday.

**Next Meeting will be on Saturday the 6th of August, at  
9:00am**

At the August meeting you need to start thinking about nominating members for the 2023 Board, also keep in mind to renew club and AMA membership.

See you at the Field,

Werner

## **Bay City Flyers: CLUB INSTRUCTORS**

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Pilot Instructor - Bud Walkinshaw 727-267-3519 [bwgw1@verizon.net](mailto:bwgw1@verizon.net).

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

*Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.*

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
