December 2020

Message from the Club President

December 2020

Fighter Town was cancelled this year, we are still under restriction from SWFWMD for having more than 10 people assemble for safety reasons because of the covid-19 pandemic. I hope everyone had a great and safe Thanksgiving Holiday with your families, enjoyed all the good food, watched lots of football games and had your nap time, digesting your Dinner

DECEMBER 5TH CLUB MEETING IS CANCELLED

This is December coming up, if you have not renewed your AMA Membership, you have to do it fast. You need to have your new AMA Card in order to fly after the first of January, also do not forget to renew your club membership, before the end of the year, or it could cost you \$125.00 more to fly.

Due to the fact that there were no volunteers or nominations other than the current board, next year's Board will be voted in, by Secretary Gordon McLean casting one vote by acclamation at the board meeting on December 5th.

Happy Flying sees you at the Field

Werner

Dec. 2020 Leader Member Minutes

Very little has changed with FAA since my last report. I have received no changes to the proposed rule for Remote ID. The FAA continues to maintain that it plans to announce a final rule by the end of the calendar year, followed by an implementation period that could take up to three years.

AMA continues to work closely with the FAA on the safety test. This test should be out for public comment by the end of the calendar year.

You are now eligible to renew your registration within 180 days of your expiration date. To renew your registration, visit FAADroneZone.faa.gov. Your registration is good for three years and costs \$5. Please be aware of FAA scam sites charging more than \$5.

Happy Holidays from AMA and your Leader Member.

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

A club officer can also be a check pilot if a regular check pilot is no available.

No Meeting in December 2020 at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
