Message from the Club President

February 2021

Well another year has gone by and we are already at the end of January. I hope that this year will be great for all of us flyers and that we will see the end of the Covit-19 pandemic. Here's to great weather and good friendships throughout the club.

Most of our members have renewed their membership for this year, we lost a few for one reason or another, but we also gained some new members. So welcome them, when you see them and lend a hand, if they need one.

The weather has not been in our favor so far this month, again cold and windy, not to many members have found their way to the field, just a few diehards have enjoyed some great flying. . We do have it better than other areas of the country.

The gate code will be changed after the 6th February; it is posted for two months in your news letter on the e-mail subject line. We are still under SWFWMD guide lines, no more than 10 people assembling in one area, therefore the

February Meeting is Canceled

See you at the field:

Werner

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

A club officer can also be a check pilot if a regular check pilot is no available.

No Meeting in February 2021 at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
