January 2021

January, (2021)

I hope everyone had a Merry Christmas, a Happy Hanukkah and a Happy New Year, with family and friends. We decided to stay home this year and enjoy our warm and windy weather and have some quiet time.

For everyone's information the Board has been re-elected to serve for another year term.

## No Meeting in January

**Just another reminder don't forget to renew your AMA and Club membership by the 31st of December, or you will end up paying \$125.00 more for next year. You still need to send in a signed renewal form. The new AMA card needs to be good thru December 31st 2021. You will not get your new membership card until Gordon McLean receives these items.**

The Board will announce when we are able to have our next meeting.

We want to send our sincere condolences to Barbara, who lost her husband Fred Mulholland on Sunday the 20th of December. We thank him for all he did for our club and the Modeling community. |

May the Lord be with you Fred, rest in peace.

## Happy Flying in the New Year

See you at the field,

Werner

Bay City Flyers  
Board Meeting Minutes  
12/5/2020

President Werner Keil convened the meeting at 10:03 am.

Attendees: Werner Keil, President; Roger Cherry, Vice President; Mike Sperato, Treasurer; Gordon McLean, Secretary; Bill McCallie, Board Member; George Andruss, Board Member.

Absent: Paul Ericson, Board Member

The first order of business was for the election of Officers and Board of Directors. The current slate of Officers and Directors was nominated and presented to the membership in the September Newsletter. At that time, a request for other volunteers or nominations be sent to the Secretary via email.

There having been NO response to the request, the President directs the Secretary to cast one vote in acclamation for the nominated positions in accordance with the Club bylaws.

The slate is as follows:

President – Werner Keil  
Vice President – Roger Cherry  
Secretary – Gordon McLean  
Treasurer – Mike Sperato  
Board Member – George Andruss  
Board Member – Paul Ericson  
Board Member – Bill McCallie

The next order of business was to discuss the notice of price increase we have received from Jimmy's Sanitation Service, Inc. After discussion, it was decided that the President and Vice-President investigate alternatives to include the possibilities of :

- Replacing Jimmy's (possibly Superior in Land O' Lakes)
- Having only one (handicapped accessible)
- Under any circumstance the facility needs to be updated to fully functional and be CLEANED each week.

Board Minutes 12/5/20

Next was a discussion of the events for 2021. It was generally agreed that we consider the following:

- IMAC event – Greg Baggerly handles well and will probably schedule for June
- Swap Meet – postpone until September
- Warbirds (Fighter Town) be held in November

Next was a discussion of the condition of the entrance road. It was agreed that the Club would continue to repair the road as needed and that the latest repair using rocks was satisfactory.

The President then stated that the last bush hogging of the year would occur in the week following.

There being no further business to consider, the meeting was adjourned at 10:22 an.

Respectfully submitted,  
Gordon McLean, Secretary

## January 2021 Leader Member Minutes

I have little to report this month. Due to the holiday season and the Covid-19 pandemic FAA and AMA are not meeting as often. AMA continues to register events. The decision to run the event or not, due to Covid-19 pandemic, is left up to the individual AMA clubs.

Do not neglect to renew your FAA registration. To renew your registration, visit [FAADroneZone.faa.gov](http://FAADroneZone.faa.gov). Your registration is good for three years and costs \$5. Please be aware of FAA scam sites charging more than \$5.

AMA reported that all incoming mail to Muncie is arriving four to five weeks later than usual. If you have not received your 2021 AMA Membership Card this may be the reason.

Late in 2019 AMA organized all AMA Leader Members to keep their respective clubs aware of FAA rulings and other important information pertaining to the future of our hobby. This was to be accomplished by a presentation at a meeting or a written report in a club's monthly newsletter. I chose the latter of the two.

I will not be reporting to the membership monthly in 2021. However, I will report on important issues when they occur. In the future for important updates you can log onto [AMAgov@modelaircraft.org](mailto:AMAgov@modelaircraft.org) or call AMA at 765-287-1256. In addition, you can contact me [mdiesu@tampabay.rr.com](mailto:mdiesu@tampabay.rr.com) with questions.

## **Bay City Flyers: CLUB INSTRUCTORS**

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

Mike Kohanyi 813-744-1471 [mkohanyi@tampabay.rr.com](mailto:mkohanyi@tampabay.rr.com)

A club officer can also be a check pilot if a regular check pilot is no available.

**No Meeting in January 2021 at Area 52 Field.**

**Check out our web site:**

**[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)**

*Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.*

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
