July 2021

Message from the Club President

July 20121 President's Message

Summer and the Hot Weather are here to stay for a while. Drink plenty of water to prevent getting a heat stroke. If you have to recover a plane, don't be a big hero, asks someone to go with you and carry your **Phone** to prevent any problems. Come to the field early in the morning, to beat the heat and the wind. The Field is open, so come on out to fly and enjoy nature.

The IMAC Event was held on Saturday June 5th and Sunday June 6th, 15 Pilots where present to show off their skills. The weather was very nice on Saturday, **and they managed to get most of their sequences in and then finished up on** Sunday, Trophies were handed out to the winners in each class, all involved had a good time.

We are still having problems with members not following our field etiquette and rules. Apparently there are some people that are still not using the correct pilot stations and not flying the correct pattern when multiple planes are in the air, **ONLY ONE RUNWAY IS ACTIVE AT A TIME YOU CANNOT FLY ON BOTH RUNWAYS AT THE SAME TIME.** When everyone either joined or renewed their membership, each of you signed a form stating that you read the rules and would comply. Please make sure you are compliant and abiding by them. With everyone's help it will be a benefit to all Club members and it would eliminate problems and above all be courteous to other members. Grass cutting season is here and we are looking for volunteers' to step up and help.

Next meeting is on the 3rd of July at 9:00 am.

See you at the field.

Werner

**All Members if you are not receiving the club newsletter by e-mail,
Please e-mail Gordon McLean at BCFSecy@gmail.com**

June 2021 Member Leader Report

July 2021 Leader Member Report

Most dictionaries define the word legislation as the procedure of making laws. AMA and FAA have been in legislation for a number of years considering laws pertaining to our hobby. The development of a Remote ID umbrella program to cover all AMA Charter Clubs thus eliminating the requirement of individual Remote ID registration by club members, and the 400 foot altitude question are still in legislation. The safety test known as TRUST is now approved by FAA and AMA. Go to the AMA web site for more information. The AMA Government Affairs Team continues to work with FAA to protect our interest in the legislation which is important to us. I have been advised that we should continue to fly as usual. If anyone has any questions, contact me by email. (mdiesu@tampabay.rr.com)

Volunteer Flight Instructors are needed!
Please contact an officer or Chief Instructor Mike Kohanyi

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Intro Pilot Instructor and check pilot - Jody Lopez 813.843.4011 maxiim76@aol.com

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

Mike Kohanyi 813-744-1471 mkohanyi@tampabay.rr.com

A club officer can also be a check pilot if a regular check pilot is no available.

Club Sponsors

The Sponsors listed below have very generously contributed merchandise to our raffles and annual events. Please patronize them whenever possible.

10% OFF for Bay City Flyers members!

Meeting in July 3rd 2021 at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
