July 2022 President's Message

Summer and the Hot Weather are here to stay for a while. Try to prevent getting a heat stroke, stay hydrated by staying in the shade as much as possible and drinking plenty of water. As a reminder, if you have to recover a plane, don't be a big hero, ask someone to go with you, to prevent a problem and take your phone with you. Think about coming to the field early in the morning to beat the heat and the wind.

The IMAC Event scheduled for 4-5 June was canceled because of weather and will be rescheduled on the 13th and 14th of August per IMAC sanction.

It is with great sorrow, that I want to pass on to all members, the passing of a long time member, Officer and friend to all Gordon McLean, let us all remember him in our hearts and prayers.

Anyone interested in running for President or any other office for next year, it is time to start getting a team rounded up. Roger Cherry and I will not be running again, we served long enough.

Next meeting will be on the 6th of August at 9:00 am

See you at the field.

Werner

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Intro Pilot Instructor and check pilot - Jody Lopez 813.843.4011 maxiim76@aol.com

Pilot Instructor - Bud Walkinshaw 727-267-3519 bwgw1@verizon.net.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

Mike Kohanyi 813-744-1471 mkohanyi@tampabay.rr.com

A club officer can also be a check pilot if a regular check pilot is no available.

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
