Message from the Club President

June 2021

Just a reminder to all we are not having a Club Meeting in June.

The IMAC event is being held on that weekend 5th and 6th of June, the Gate will not be manned for this event. Food will be available on Saturday only.

I want to thank the members that participated at our May 15th work party, to repair more of the damage that was done by the Hogs. The repaired areas have been reseeded; hope to see grass growing soon. We understand that not every member can perform this physical work, but you can help out in other ways.

Our next Meeting will be on Saturday July 3RD

It is of the utmost importance that we practice alert and save operating procedures, also use correct taxi ways, it does not hurt to ask for help, we do not want to see anyone get hurt.

Let's all be Safe.

See you at field,

Werner

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

A club officer can also be a check pilot if a regular check pilot is no available.

Meeting in July 3rd 2021 at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
