March 2021

Message from the Club President

March 2021

Hope everyone got the new access code for the gate, as it was changed after last meeting. If you didn't get it, it is posted on the subject line of the email that contains the newsletter. February has been a cold and windy month.

I submitted the Letter for our 5 year extension for our License Agreement to SWFWMD and also contacted them to find out if the restriction for assembling more than ten people in a crowd has been lifted. I have not received any feedback yet.

Over the last few months we received complained about Armadillo and Bird damage at the field, everyone needs to remember that we are located on a Nature Preserve and SWFWMD property. We have lived with this problem for the last 15 Years. We go through cycles, between Hogs, Birds or Armadillos.

We are saddened over the loss of Marvin Sanders Wife, who passed this last week; let us keep both of them in our prayers.

We had a work party scheduled for Saturday the 27th of February. Thank you to everyone that help make this happen. Donuts and coffee were available for the work party.

THE MARCH MEETING IS CANCELED

Hope to see you at the field,
Werner

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

A club officer can also be a check pilot if a regular check pilot is no available.

No Meeting in March 2021 at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
