Message from the Club President

President's Message

The field is getting dryer now, making it easier for the grass cutters to do their jobs. We have a little cooler weather making it more comfortable for flying.

It's the time of year to renew your AMA membership, if you missed the old price cut off date the price is now \$75.00 for regulars and \$65.00 for seniors. Also start thinking about renewing your club membership which needs to be renewed for \$75.00 before the end of December, 2015 or you will end up paying initiation fees again, which is \$125.00.

The road is dried up and hopefully it says that way, if we don't get too much rain. I appreciate everyone that is coming forward to help with tasks that need to be addressed.

I would also like to thank our past president Bruce, for the fine job that he has done in the last 2 years. We appreciate all of your efforts Bruce.

There is a Military flying event on the 14th of November, unfortunately I will be out of town for the event. Bruce and Joe would appreciate everyone to come and help for the event. So come out and enjoy the comradely, and the beautiful flying weather.

Werner

BCF Meeting Minutes

October 3rd, 2015

Meeting was called to order by President Werner Keil at 10:03 a.m.

Minutes from the September meeting were accepted. Motion made by Joe Barczyk and seconded by Roger Cherry.

A motion was made by Mike Sperato that the club furnish envelopes and stamps to mail the membership cards. Motion seconded. Motion passed. The secretary will purchase envelopes and stamps to send out all new member and renewal cards.

A discussion ensued regarding the road condition and required repairs/costs.

Werner Keil stated that three bids were obtained. The lowest bid of \$7800 included spreading the rock as the truck traveled down the road. The other two bids were higher and did not include this option. In addition to the rock, the club will need to rent a Bobcat (\$600) and a Roller (\$700) to complete the job.

After some further discussion, it was decided by the members that a contractor should be brought in to tell us exactly what we need rather than guessing at it ourselves. Everyone agreed. Werner will contact the low bidder to arrange for him to come out and perform this service prior to committing to the final project. Club members will be needed to help with final spreading with the final spreading and rolling.

Craig _____ motioned to let the board handle the road repairs up to \$15,000. Gordon Mclean seconded. Motion carried.

Mike Diesu made a motion to change the by-laws to hold the elections in December and the new officers take over January 1st. Seconded by Dick Kosby. Motion carried. Mike Diesu will work up the new language for the by-laws and present it to the board.

There was a question regarding what defines a quorum at meetings. Mike Sperato suggested that a number be established rather than a percentage. Mike Diesu made a motion that it be 10 members plus the board and quorum for the board would be 5 out of the 7 board members. Seconded by Dick Kosby. Motion carried.

Our next event will be Fighter Town in November. Bruce Horvath needs volunteers to man the gate and anything else you may be able to do. Contact Bruce if you can help. It's our club and we want to reflect well on our visitors that we are well organized and that our members support our events!

Jim O'Brien announced there would be a club dinner in March at Hungry Harry's in Land O Lakes. Cost will be \$25 per person. By show of hands, it appears most members present would attend. More on this later.

There was no raffle or 50/50. Meeting adjourned.

Bay City Flyers

Annual Food drive

The club will be collecting food to be donated to a local pantry and charity. They distribute food and clothing, plus provide financial aid to all denominations in Hernando and Pasco County. This drive will assist them in their needs for the Thanksgiving Holidays

All donations should be in the form of non-perishable food items

Cash Donations are being accepted.

Some suggestions would be boxes of stuffing, canned vegetables, cranberry sauce, and any other items that would go with the meal.

The drive will start on Saturday October 17, 2015 and will run thru Sunday November 8th., 2015. We will present the donations to them the week of Nov 9th., thus allowing them time to prepare and distribute in time for the holiday.

I plan on being at the field during the drive to collect the items. In the event that I am not there please put all donations in the pilot lounge

Thank you
Joseph Barzyz

Next Meeting is November 7th, 2015 10:00 AM Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
