### **Message from the Club President**

October 2021

September has been a rather wet month this year, both the entry road and field have been flooded several times, a member got stuck because of the soggy condition and had to be pulled out.

Our Swap meet on the 25th of September was canceled because of the conditions. The swap meet has been rescheduled on the 23rd of October.

A special thank you to the Grass Cutters for hanging in there under these conditions and doing a great job.

It's the time of the year to renew your AMA membership, if you need to do that. Also start renewing your Club Membership, just a reminder to do this before December 31<sup>st</sup> or you end up paying another Initiation Fee.

Elections are coming up at the December meeting, nomination ends at the November Meeting. The floor is open for nominations until then. All board members except for the Secretary, have agreed to stay on for next year. We need someone to step up and take on this job.

Our next Contest Fighter town USA will be held on the 20<sup>th</sup> of November, Volunteers are always needed so please step up, to help out.

**Next Meeting November 6th at 9:00 AM**

See you at the Field,  
Werner

Secretary's Report

Please Note:

It's sad to announce the passing of Charlie Blue this past week. Those of us who knew Charlie will never forget him.

Mike Diesu

I would like to remind the membership it is time to renew your BCF membership. Renewals for 2022 must have an AMA membership card valid through at least 12/31/2022. BCF renewal applications can be found at the field in a box at the kitchen pavilion or on the BCF web site. AMA renewal applications are on the AMA website or you can call AMA direct. BCF renewals can be paid by check or Pay Pal and must have a copy of your updated AMA membership card. Remember to enclose a stamped self addressed envelope. If you have any questions, please email me at [mdiesu@tampabay.rr.com](mailto:mdiesu@tampabay.rr.com).

Mike Diesu, Secretary

## October 2021 AMA Leader Member Report

No significant rule changes were noted this month. Again regarding the Trust Test, it is required by Federal Law to take the test. It is impossible to fail. Please take it.

The following areas will be addressed by FAA and may affect rule changes in 2022.

1. Night flying and flying over people.
2. Model kit manufacturers may be required to install modules in all kits.  
Modules will be available to purchase separately for existing owned aircraft. Price range may be \$50.00 to \$100.00.
3. Exemption from Remote ID is only possible at the flying field of an AMA Member Club, if so decided by the club membership.

Mike Diesu

AMA Administrator Leader

## **Bay City Flyers: CLUB INSTRUCTORS**

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

Mike Kohanyi 813-744-1471 [mkohanyi@tampabay.rr.com](mailto:mkohanyi@tampabay.rr.com)

A club officer can also be a check pilot if a regular check pilot is no available.

*Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.*

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
