October 2022

October 2022

September has been a rather wet month this year, both the entry road and field have had standing water on them several times, when driving on the wet road try to stay out of the wet spots, driving thru them only damages the road more.

Once fall arrived on the 22nd of September, our Hurricane season started to ramp up, hopefully we can skirt the ruff side of the storms, be prepared and stay safe.

Our Swap meet will be on the 15th of October, so collect all you're stored up items and bring them out to turn them into cash.

A special thank's to the Grass Cutters for hanging in there under these conditions and doing a great job.

It's the time of the year to renew your AMA membership, if you need to do that. Also start renewing your Club Membership, just a reminder to do this before December 31st or you end up paying another Initiation Fee.

Elections are coming up at the December meeting, nomination end at the November Meeting. The floor is open for nominations until then.

Our next Contest Fighter town USA will be held on the 12th of November, Volunteers are always needed so please step up, contact Pete Rundel to give him a hand.

Next Meeting November 5th at 9:00 AM

See you at the Field,

Werner

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi , our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi .

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor, but the student must be checked out by Chief Flight Instructor.

Intro Pilot Instructor and check pilot - Jody Lopez 813.843.4011 maxiim76@aol.com

Pilot Instructor - Bud Walkinshaw 727-267-3519 bwgw1@verizon.net.

Finally, we have Designated Check Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

Mike Kohanyi 813-744-1471 mkohanyi@tampabay.rr.com

A club officer can also be a check pilot if a regular check pilot is no available.

Next Meeting November 5th at 9:00 AM at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
