## **Message from the Club President**

### **September President's Message**

August has been hot and we have had rather nasty weather here and around the rest of the country, with the rain and wild fires. Even our War birds have gotten out of bed earlier to beat the afternoon heat, wow that is really amazing.

It is that time of the Year again to start renewing your AMA membership, if your runs out at the end of this year, the sooner you get it done the quicker you will your new card from the AMA.

We have some really good news to share with all the members that did not show up for the last meeting we have received the signed Second Amendment to our License Agreement that extends our Agreement to October 8th 2021. Thank you SWFWMD for allowing us to stay.

Our election is coming up in December, the floor will be open for nominations until November Meeting. The entire present board has volunteered to serve another term, if the members want to elect them.

Don't forget the Golden Era fly in, which will take place on September 10, 2016. Come join in the fun.

Werner

*Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.*

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
