July 2023

President's Message – June 2023

Summer is here in force, longer days, rain and heat. Stay safe, wear a hat, use sunscreen, and stay hydrated. As noted in the June meeting, safety while at the field is a priority! Our rules are posted for reference and must be observed and complied with at all times. If you see an issue, RESPECTFULLY and CALMLY address the issue so we can all enjoy our field for years to come. Our next meeting scheduled for July 1 @ 09:00 will be rescheduled for July 8 @ 09:00 due to the holiday weekend and some folks enjoying the holiday out of town.

See you at the Field.

Membership Meeting Minutes June 10, 2023

The June 10, 2023 Membership Meeting was called to order by Jeff Houck at 9:00 AM at BCF's Flying Field. Twenty five members including the full Board of Directors attended this meeting.

In the absence of Joe Barzyz, Jeff Houck led the Pledge of Allegiance to the Flag and a moment of silence for our Deceased Veterans.

The Treasurer's report was accepted. All documentation of expenses and credits were available for review by the membership. A question was asked as to the cost of repairs on the mowers this year. The total cost was \$1,642.00 including gas purchases.

The first order of business was to confirm the Board's recommendation of Jeff Houck to replace Paul Ericson as President and the appointment of Mike Diesu as Secretary. A motion was made by Roger Cherry and seconded by Werner Keil to accept these appointments. The vote by a show of hands was unanimous.

The purchase of a new mower was the next item of business.

A brief history thus far: *Paul Ericson advised that one of our mowers had a cracked head and will cost \$900.00 to repair. He provided pricing for a new replacement mower which includes a trade-in value of the broken mower (trade-in value \$3500.00) for a \$10,000 new mower. This purchase was voted on a several times with failed and passed votes.*

One vote was illegal due to a non member voting.

At this time a valid vote still exists to purchase the Bad Boy Mower from Green Acres Outdoor Equipment. Another vote was not needed. The mower will be purchased for \$10,261.00.

Mike Dawson made a motion to rescind the vote to purchase a new mower. There was little response to this motion and it was dropped.

A motion to sell the X-Mark mower was made by Roger Cherry. This was tabled by Werner Keil. President Jeff Houck is addressing the cost of a potential Preventative Maintenance program for our mowing equipment with Green Acres Outdoor Equipment.

President Jeff Houck made it very clear all members must abide BCF's By-Laws, BCF's Flight Rules, AMA Safety Code and Southwest Florida Water Management District Rules. The corrected Club By-Laws will be posted on our website, Flight Rules are posted at both pavilions, AMA Safety Code is posted at the kitchen eating area under the canopy and the SFWMD rules will be available very soon. President Jeff Houck informed the members that we all are Safety Officers, and by correcting those who break the rules we are maintaining a good relationship with SFWMD. Mike Diesu recommended never approach anyone violating a rule while they are flying and always be polite.

To ensure good communication between club operations and club members the following documents will be posted on the BCF's Web Site in the secured section: Board Meeting Minutes, Monthly Club Meeting Minutes, Club By-Laws and Articles of Incorporation. To gain access to the secure section of our Web Site you must create an account on the website. You will gain access to the members-only information. You must be a current paid member to setup an account. Our website will be undergoing changes in the near future so please be patient.

The AMA is offering a \$200 credit to Club's who purchase AED devices for use at their field. The approximate cost will be between \$1500 and \$1700. A motion was made by Mike Dawson, and Seconded by Andrew Reeves to purchase the AED. The motion Passed. A combination lock cabinet similar to the First Aid kit cabinet to hold the AED will be installed and we may contact the Red Cross or a similar agency if training is necessary.

The Board recommended BCF be recognized as a 2.4 GHz AMA flying club. This recommendation was approved unanimously by the membership. AMA does not provide support for the 72 MHz frequency board and our board will be removed. Those flying 72 MHz should monitor their flying time. It is not necessary to have radios impounded. This change will not affect anyone's AMA insurance.

Our field structures are in need of repair and it has become difficult to have work parties. President Jeff Houck will speak with John Mulligan, a BCF member and contractor to do some of the needed repairs. Each repair would be priced separately. Paul Ericson made a motion, seconded by Pete Rundel, to speak with John Mulligan regarding estimates for the repairs.

The Board recommended we appoint a Field Maintenance Manager. His responsibility would be overseeing all the maintenance and repairs needed from the main gate to the flying area. A motion was made by Roger Cherry, seconded by Andrew Reeves to appoint Werner Keil. The motion passed and Werner Keil accepted the position.

Membership Meeting Minutes June 10, 2023 continued

A committee consisting of George Andruss, Henry Foytik and Mike Diesu were asked by the Board to review our current By-Laws for corrections and additions. The result of this review is as follows:

Article II, Membership, Section 1 Admission of New Members

Replace the last sentence with the following:

At the time of his or her application for membership, each prospective new member shall agree to abide by the Club's By-Laws, Flight Rules, AMA Safety Code and Southwest Florida Water Management District rules.

Article II, Section 4 Dues (b)

Add the following:

All Members will pay dues, regardless of any Club Services they perform. Life Members are not required to pay dues, and are allowed to vote.

Article II, Section 5 Family

Replace the first sentence with the following:

The members of any Members family under the age of 18 may fly at the Clubs Field as long as they are accompanied by the Club Member to whom they are related.

Article III, Section 5, Officers, Item (e)

Replace the word Audit with Review.

Article IV, Meetings, Section 1 (b)

Replace (b) with the following:

Board action may be taken pursuant to telephone voting which will be tabulated by the Chairman of the Board. Telephone voting should be confirmed in writing or email to the Chairman of the Board.

Article III, Officers, Section 3 add the following:

The Secretary shall notify the Members of the cancelling of any meetings.

Article VI, Amendments, Section 2,

Replace the entire section with the following:

The Board recommendations (either pro or con) along with the supporting rationale will be presented to the membership for discussion. The membership must be notified of changes and/or additions to the By-Laws by email and Newsletter five days prior to the date of discussion and vote on the corrections and additions to the By-Laws.

Article VIII, Dissolution

Replace the entire Article with the following:

In the event of dissolution of Bay City Flyers, Inc. its net assets shall be donated to the Academy of Model Aeronautics.

Werner Keil made a motion, seconded by Paul Ericson to accept the changes and additions to the By-Laws. The vote was unanimous.

Pete Rundel made a motion to adjourn this meeting, seconded by Andrew Reeves at 10:45.

Respectfully Submitted,
Mike Diesu, Secretary

Bay City Flyers 2023 Event dates

TBT in August - IMAC Contest

Oct 21 - Swap Meet

Nov 18 - Fighter town

Secretary Note

It has been brought to the attention of the Board at the August meeting that Club Members are not reporting lost and unrecovered aircraft as required. If you lose an aircraft and are unable to recover it for whatever reason, please provide date/time and approximate location of the aircraft in an email to Secretary Jeff Houck at jeff.rcpilot@gmail.com as soon as possible.

Thank you for your cooperation.

WHEN RENEWING YOUR MEMBERSHIP, YOU MUST SUBMIT THE PAPERWORK, NOT JUST A CHECK.

ALSO, PLEASE ENCLOSE A SELF ADDRESSED STAMPED ENVELOPE AS IT SAYS ON THE RENEWAL FORM

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi, our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi.

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor.

Chief Flight Instructor - Mike Kohanyi 813-744-1471 mkohanyi@tampabay.rr.com

Pilot Instructor - Bill Intini 727-255-3809 chuchao48@aol.com

Pilot Instructor - Bud Walkinshaw 727-267-3519 bwgw1@verizon.net

Intro Pilot Instructor - Jody Lopez 813.843.4011 jmaxiim76@gmail.com

Finally, we have Designated Check Ride Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

- Mike Kohanyi 813-744-1471 mkohanyi@tampabay.rr.com

- Any of the Club's Officers (see above) or official pilot instructors

Club Sponsors

The Sponsors listed below have very generously contributed merchandise to our raffles and annual events. Please patronize them whenever possible.

Next Club meeting July 8th at 9:00 am at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
