A pig hunt was held on Feb. 12th and 13th the hunters put down 4 large pigs, another hunt will be held in March.

A work party was held Feb. 18 and we had a good turn out to repair hog damage.

Bay City Flyers: CLUB INSTRUCTORS

If you are new to our club and need flight instructions, please contact Mike Kohanyi, our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi.

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor.

Chief Flight Instructor - Mike Kohanyi 813-744-1471 mkohanyi@tampabay.rr.com

Pilot Instructor - Bud Walkinshaw 727-267-3519 bwgw1@verizon.net

Intro Pilot Instructor - Jody Lopez 813.843.4011 jmaxiim76@gmail.com

Finally, we have Designated Check Ride Pilots, who will check you out and determine if you can be issued a Bay City Flyers Solo Card:

- Mike Kohanyi 813-744-1471 mkohanyi@tampabay.rr.com
- Any of the Club's Officers (see above) or official pilot instructors

Next Meeting March 11 at Area 52 Field.

Check out our web site:

[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
