Bay City Flyers - April 8, 2023 Special Meeting Minutes

Called to order at 9:03 AM by President Paul Ericson

Pledge of Allegiance

Moment of silence

Old Business

As notified to the Club in a special email on March 28, 2023, the vote to purchase a new mower to replace the mower that is in the shop for repairs was invalidated due to non-members being counted in the vote. As such, this special meeting was called to hold a revote only as the motion and discussion phase took place at the March 11, 2023 Quarterly Meeting.

A vote was called for by President Paul Ericson. Counted vote was 12 for and 8 against. Motion passed.

Following the vote a Motion was made by Mike Diesu to have the old mower that was recently repaired returned to service to see how long it would last with the understanding that when it failed, the authorization to purchase a new mower would already be in place without bringing to another vote of the Club. Seconded by Joe Barzyz. Discussion took place. Counted vote was 8 for and 11 against. Motion fails.

Motion to close meeting Mike Kohanyi, seconded by Greg Baggerly. Meeting closed at 9:25

Respectfully submitted,

Jeff Houck

Bay City Flyers - Secretary

## **Bay City Flyers: CLUB INSTRUCTORS**

If you are new to our club and need flight instructions, please contact Mike Kohanyi, our Chief Flight Instructor. If you are a current member and would like to become a Flight Instructor please contact Mike Kohanyi.

Bay City Flyers provides a number of ways to introduce individuals into the sport of Radio Control Flying. Never flown before? No Problem. We have a group of members who are designated as "Intro Pilots" by the AMA. An Intro Pilot offers you the opportunity to fly a few times without purchasing equipment and to be covered by the Intro Pilots AMA Insurance. If you are interested in continuing flying you must join AMA and we can provide you with a Club Instructor. If you have a friend or relative who holds a Bay City Flyer Solo Card, he or she may be able to act as your Instructor.

*Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.*

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
