April 2026

President's Note

We are a quarter of the way through the year with March behind us. As we move into full-on Spring and warmer weather the Field is coming alive with green grass, and the unwelcome sightings of certain wildlife markings. While we have not experienced so far the level of damage we have incurred by this time of the year as we have in previous years, we have made SWFWMD aware that there are critters on property and may need assistance, time will tell.

The BCF SWAP Meet is this month on April 18 with open flying. This event has been well attended in the past and we are looking forward to a great event and turn-out.

Reminder - Next Membership Meeting will be on
Saturday, 4 April @ 0900. See You There.
Keep 'em flying! See you at the Field.

**All Members if you are not receiving the club newsletter by e-mail,
Please e-mail Jeff Houck at <jeff.rcpilot@gmail.com>**

**Next Club meeting April 4th @ 09:00 Check out our web site:
[HTTP://WWW.BAYCITYFLYERS.ORG](http://www.baycityflyers.org)**

Review the Bulletin Board and our Website to keep informed of what is happening at the flying fields.

The main gate at the flying field 52 must be kept locked when entering or leaving the field. The four tumblers must be turned each time the lock is closed. When entering the field if you find only one tumbler has been turned, try to find the last member who entered the field and closed the lock incorrectly. Explain to the individual that all four tumblers must be turned.
